1785 DISTILLERY 2018

BASED IN THE HISTORIC MARKET  
TOWN OF MAIDSTONE, WITH  
AN ILLUSTRIOUS HERITAGE OF  
SPIRIT-MAKING

*Welcome,*

We are reinstating the tradition of Maidstone pioneer and master distiller, George Bishop, who created quality and world-renowned spirits from our county town back in 1785. We are reclaiming our forgotten heritage to produce spirits of depth, meaning and character that we can all be proud of. He was a champion of the people and it's time for his legacy to be tasted again.

We have lovingly restored our distillery, in the heart of our town, set in a beautiful building where visitors can learn about our rich legacy. We wanted a place where people can see our award-winning spirits being made first hand and experience the art of distilling in a fun and exciting way.

Pride In Our Spirit Since 1785.
